2017 Summer YouthWorks

Montgomery County Workforce Division

In 2016, over 2,300 Montgomery County youth were placed at nearly 500 work sites in various industries. The youths' wages were provided through state and county funds, which is a tremendous benefit to the participating businesses. This collaboration provides the work experience and guidance needed to create a strong and informed future workforce. Thank you for your participation!

In 2017, YouthWorks will continue to provide employment opportunities for young people that will help shape their future and create a generation of career informed youth.

In order to provide the most benefit to the youth, we need you and 499 other employers to provide sufficient work sites for another successful year!

Montgomery County will:

- Approve applications
- Contribute the salary for the youth
- Issue Workers Compensation insurance
- Provide job readiness training
- Perform job coaching services for all youth
- The employer agreement is available online at OhioMeansJobs.com/Montgomery

Participating businesses will:

- Identify positions, required skills, and attire for participating youth
- Employ youth between the ages of 14-18 for 8 weeks during the summer of 2017
- Agree to deliver a valuable work experience and knowledge of your industry by training, mentoring, and evaluating the youth

To participate, contact YouthWorks at

Since our founding in 1911, DP&L has been a proud partner with Dayton and our surrounding communities. One of our goals is to protect the environment by supporting organizations that conserve or improve the natural world around us. To meet that goal, DP&L is offering the opportunity for communities in our service territory to enrich their cities or parks with an Environmental Grant as part of our [Right Tree, Right Place](#) program.

In 2016, DP&L awarded \$50,000 grants to the cities of Centerville and Sidney for Right Tree, Right Place investments.

About Right Tree, Right Place

Trees are an important part of the environment which beautify our neighborhoods and communities. The type of trees and their placement along with other vegetation could impact the safety and reliability of electric services to our customers. Designed with our customers in mind, Right Tree, Right Place encourages customers to plant smart with utilities in mind. [Learn more.](#)

2017 Environmental Grants

To apply for the DP&L Environmental Grant, applicants must be communities that have the [Tree City USA](#) designation from the Arbor Day Foundation. Two grants will be awarded in 2017; each grant will have a maximum value of \$50,000. **The 2017 grant application deadline has been extended to March 17, 2017.** Winners will be announced on Arbor Day - Friday, April 28, 2017.

Grant Requirements

Projects for the grants should be aimed at improving a city's business district or park(s).

To qualify the project must utilize 40% of the grant funds on trees, other vegetation or environmental improvements.

The project may include the installation of other amenities such as lighting, park benches, walkways, playground equipment, outdoor art, fountains and similar hardscapes.

How to Apply

All applications must be submitted online using our [Community Relations Form](#). To ensure your application is designated for the Right Tree, Right Place environmental grant, please follow these instructions:

Under "**Basic Information**":

- Application for: **DP&L Contribution**
- Type of Request: **Program**
- Timeframe: **Single Year**
- Funding Area of Focus: **Environment**

In the "**Short description of the program/project** field," please begin with the label "**Right Tree, Right Place**," followed by a full description of the project.

Please note, some of the questions on the form are geared at traditional non-profit grants; the applicants should respond with appropriate information or type "RTRP" in the field.

If you have any questions, we are happy to help. Please [email DP&L Community Relations](#).

We look forward to seeing your project ideas and supporting our communities' efforts to improve the environment.

DP&L is committed to community involvement. We will assist the grant winners to actively recruit volunteers, including DP&L employees, through social media and other means to help with the implementation of projects.
