

# A FINANCIAL MODEL OF YOUR BUSINESS START YOURS NOW

A strong business plan should answer these questions:

1. Can I provide a financial picture of my business?
2. How much money do I need to reach the business goals we have set – and how shall we raise it?
3. How long will it be before we are cash flow positive? Net income positive?

Come learn about a simple planning tool built on information you can readily find or identify about your business.
